Upcoming Free Seminars:

1) CHS 53-105 Nov 21st, 10:00 am to 02:00 pm:
   For the Researcher: Targeting Innovations in Background, Breeding and Biomarkers presented by Charles River
   Topics to be presented are:
   Fast and Site-Specific Transgenic Mice Via Pronuclear Microinjection Mediated by phiC31 Integrase
   Colony Management: Understand Your Rodents for Better Research
   The Knockout Mouse Project (KOMP): What Is It and How Will It Impact Research Around the World?
   The Utility of Biomarkers in Drug Discovery and Development
   A complimentary lunch will be provided to all registrants.
   To register and for more information, please follow this link: http://www.cvent.com/d/m4q8h6

2) CHS 17-256 (Sunset CR), Nov 25th, 2:00 – 3:00:
   Studylog Pre-Clinical Study Workflow Management Software
   Come learn about Studylog’s Animal Study Workflow Management Software, which makes research easier by automating the conduct, data collection, graphing, analysis, report-generation and task scheduling for many animal study types. Refreshments will be available at the talk.
   For more information, please contact: Jeff Kumer +1 (650) 208-3372, jkumer@studylog.com or see attached flyer.
   Please note, DLAM does not specifically endorse or promote any particular vendor, service or product, but hosts these seminars as educational outreach to UCLA’s research community.
   DLAM Training – Please Use It!
   A reminder that DLAM training is currently offered at no charge to research staff. We can help you with everything from ear tag placement to complicated surgical procedures. Just send an email to DLAMTraining@mednet.ucla.edu with a brief description of how we can help and we will contact you to set up a training session.

2013 HOLIDAYS Animal Orders / Delivery – Import / Export Schedules
   Please note the following schedule changes for the 2013-2014 holiday periods.
   THANKSGIVING Holiday Week: There will be no Vendor Deliveries, Imports, or Outgoing shipments.
   The order deadline for animals to arrive on December 4th, 2013 delivery is Friday, November 22nd, 2013 at 4:00 p.m.
   CHRISTMAS and NEW YEAR Holidays Weeks: There will be no Vendor Deliveries, Imports, or Outgoing shipments from December 23rd, 2013 through January 5th, 2014.
   The last delivery date for 2013 is December 17th. The order deadline for that delivery date is December 10th, 2013.
   The first delivery date for 2014 will be January 7th. The order deadline for that delivery date is December 18th, 2013.
   All orders placed between the dates of 12/19/2013 and 01/07/2014 will be processed to arrive on 01/14/2014 as space allows.
   Please inform all users in your department about the holiday delivery schedules.
   If you have any questions or concerns please contact Tensie Palmer at x42571, TPalmer@mednet.ucla.edu as soon as possible.

DLAM staff will be on campus working throughout the University’s Thanksgiving and Winter Holiday campus closure (12/21/2013 through 1/1/2014); full crew weekdays and skeleton crew during weekend and actual holiday days.

DLAM Clinical Diagnostic Laboratory November Holiday Schedule
   Nov 27th          Closed at 2 PM
   Nov 28th and 29th Closed

DLAM Pharmacy Has Moved
   The DLAM Pharmacy is now located in 2V-124, open from 7 am – 3 pm, closed for lunch from 12 pm – 1 pm. If no one is available at 2V-124, please go to the main office at 1V-211 for assistance. If you send your order via email to DLAMPharmacy@mednet.ucla.edu it will be filled and you will receive an email when it is ready for pick up.

New Sign-in Sheets for 3V areas
   Please note, when signing up for using the hoods in the CHS 3V area, it is now necessary to provide your ARC protocol number as well as your name and telephone number. Please print legibly. Remember that if you do not arrive within 15 minutes of your time, you forfeit your time slot, and another user may have it.
